

taken within 60 days after the registration application is received. The Department will consider requests for faster action that include a full explanation of the need for expedited action.

(g) A registration will not become effective until the United States Government receives from the Canadian Government written designation of the registrant under the Agreement.

(h) Rejection of an application for registration will not preclude the filing of a new application by the same carrier.

§ 294.22 Notification to the Department of change in operations or identifying information.

Each Canadian charter air taxi operator shall refile three copies of OST Form 4505 with the Department's Office of Aviation Analysis, Special Authorities Division, upon any of the following events. The refilings shall be mailed, or otherwise delivered, so as to be received by the Department not later than 30 days after the reported event has occurred.

(a) The carrier changes its name. When a carrier refiles OST Form 4505 to indicate a change of name:

(1) The registration becomes ineffective unless the Canadian Government amends the carrier's designation under the Agreement to reflect the carrier's new name within 60 days of its name change;

(2) The registrant must also refile three copies of Agreement 18900 (OST Form 4523) under its new name;

(3) The registrant must also refile its certificate of insurance under its new name; and

(4) The registrant must also advise the appropriate FAA office referred to in § 294.33 of the carrier's new name.

(b) The carrier changes its designated agent.

(c) A change occurs in the carrier's ownership and control resulting in a person acquiring a beneficial or voting interest in the registrant of 10 percent or more. The name(s), address(es), citizenship(s), and percentages of ownership of the new owners shall be indicated on the form. Acquisition of own-

ership interest by persons who are not citizens of the country of citizenship of the registrant may invalidate the registration.

(d) The carrier temporarily or permanently ceases operations.

Subpart D—General Rules for Registrants

§ 294.30 Scope of service and equipment authorized.

(a) Upon fulfillment of the requirements of § 294.3 of this part, the registrant will have Department authority to engage in charter air services between any point or points in Canada and any point or points in the United States using small aircraft.

(b) Nothing in this part shall be construed as authorizing the operation of large aircraft in charter air service, and the exemption provided by this part to Canadian charter air taxi operators that register with the Department extends only to the direct operations of charter air service in accordance with the limitations and conditions of this part using aircraft designed to have:

(1) A maximum passenger capacity of no more than 30 seats and a maximum payload capacity of no more than 7,500 pounds, and/or

(2) A maximum authorized takeoff weight on wheels not greater than 35,000 pounds.

(c) A Canadian charter air taxi operator shall not use large aircraft for charter air service until it has been granted a permit by the Department under section 41302 of the Statute or granted an exemption under section 41701 of the Statute. Its application for such a permit or exemption should refer to the registration under this part. Registration under this part will be canceled when a section 41302 permit has been granted by the Department
